

St. Joseph Parish Catechesis of the Good Shepherd Religious Formation

August 24, 2017

Welcome to Catechesis of the Good Shepherd! I am so excited about this year. This is our 9th year of "Whole Family Catechism!" What a joy last year was. We completed our 5th year of Catechesis of the Good Shepherd. If you are new to our parish "Whole Family Catechism" is the whole family coming together for faith formation. We have classes for adults, Level 1 ages 3-6, Level 2 ages 7-9, Level 3 ages 10-14, Confirmation and Youth Group. So bring the whole family and let's fall deeply in love with the Good Shepherd together. We are starting Sept. 19th, 20th & 21st, 24th, 2017. The agenda for each faith filled session will be as follows:

Tuesday morning 10:00am-12:00pm(Level 1 only),Wednesday night 4:30pm-6:30pm and Thursday morning 10:00am-12:00pm, Sunday 11:00am-12:15pm(Book Program only1st Holy Communion and Confirmation) Adults are encouraged to come and pray the Rosary for the CGS program and its success in helping families to fall in love with the Good Shepherd and nurture the family's spiritual growth. During Thursdays the moms will be able to go to adoration. Material making is a vital part to our program and we ask all parents to assist us in this endeavor during the Atrium session while learning more about your faith with one of our amazing Christian Mothers program. We ask that all children arrive 10-15 minutes early to allow for traffic and getting the wiggles and talking done before each Atrium session. Thank you!

The Policies for Religious Education Classes are as follows:

- To register for the 2017-2018 Religious Education program it is expected that you are a registered parishioner. Therefore, please write your parish envelope number on the registration form where indicated. If you do not know your family envelope number, or if you are not registered with our parish, please contact the parish office and register. Please note if you are not a member of our parish we would ask you to contribute a donation in January.
- In the event of an absence, please notify your child's catechist and or Katie Prust prior to class time, either by phone or a written note. If there are more than **3 absences**, we will be asking you to meet with us to discuss your situation. It is our hope through the Good Shepherd program that you and your child will grow spiritually and come to a greater understanding of your Catholic faith and fall deeply in love with the Good Shepherd. This is a very popular program and we anticipate a waiting list. If you can't commit to being there each week we will discuss giving up your family's spot with another family who can make that commitment.
- *A child receiving a sacrament will be required to be enrolled in the Good Shepherd program for 1 year **prior** to receiving the sacrament. The Sacrament of Reconciliation will be May 12th at the Final Retreat. The Sacrament of First Holy Communion will be celebrated during Mass on May 19th, 2018 @ 11:00am. Confirmation for 2nd year students late fall of 2018 TBD (by Diocese) Students just starting Confirmation this year will have Confirmation in the Fall of 2019. Receiving the Sacraments @ St. Joseph Church is a two year program.*
- *Sacramental retreats for candidates and parental information meetings will be offered throughout the CGS year and participation will be required. First Holy Communion Retreats are 10/21/17 2/17/18, 4/21/18 and 5/12/18 & Confirmation Retreats are 11/5/17, 3/3/17 and one TBD Sept. 2018. All parents of sacrament children will be required to sign the Parent Requirement letter for Sacraments.*
- *Catechesis of the Good Shepherd requires work from all parents to help with preparation of materials throughout the year. Each family will be asked to help rosary leader, bible reflection leader, cutting, painting, building, or parent helper in the Atrium. Please volunteer for **at least 3** volunteer hours. To be a parent helper you need to be finger printed by the Diocese and complete shieldthevulnerable.org*

Please **COMPLETE** the attached forms. Attach your child's baptism certificate and birth certificate to the form by Sept. 1, 2017. Forms may be mailed to the parish office attention: Katie Prust: You may also put them in the collection basket at Holy Mass. No one will be able to start class without a Registration Form filled out. Thank you for filling out the **WHOLE** packet.

Looking forward to making this journey of faith together, helping the children fall in love with the Good Shepherd!

Catechesis of the Good Shepherd

General

- The Catechesis is Christian formation, not just religious education. The Holy Spirit is the "Teacher." Hence, we refer to "catechists" rather than "teachers," and to "catechesis" rather than "class."
- Prioritize Catechesis over other activities. **If you must miss a week due to illness or other issues, please let your catechist know as soon as possible.**
- The Catechesis is like a retreat, and Christian formation is a long, slow and deep work. Give your child space after Catechesis to assimilate their work. Instead of asking, "What did you learn in the Atrium today?" You might say, "Tell me about Atrium today."
- Check in periodically with your children's catechists. Relay any observations you make and any comments your child shares. These help us work with your child and also encourage us.
- Periodically schedule time to come observe the work in the atrium.

Arrival/Departure

- Please give your child a snack before Atrium, but avoid sugar.
- Arrive at least 10-15 minutes before Catechesis starts each week to allow margin for unexpected delays.
- Ensure that children use the bathroom and wash their hands before Catechesis begins.
- Visit the bulletin board each week for volunteer assignments, other information, and needs.
- Please help us keep the noise down during pick up and after drop off while Catechesis is in session.
- For your child's safety, please pick up your children at the office front door. They will be released to the parents.

Service

- Each family signs up to ensure that the Rectory is tidied up after Catechesis approximately one time per year. (Cleanup Guidelines are in the parent box). Each family contributes additional time to help make Atrium materials or in other ways. Please be generous with your time and talents.

Weekly Catechesis Parent Information

“Homework”

- Pray regularly with your children at home, at least on waking, before and after meals, and at bedtime.
- Designate a quiet space for daily prayer at home, for example with a low table, a Catholic translation of the Holy Bible, at least one statue or icon, and a candle and snuffer.
- Have a procession to the prayer table to place these items on it.
- When gathered around the prayer table, invite your children into silence by stilling their bodies and their breathing, and listening to God in the silence.
- Read short passages aloud, particularly from the Psalms, such as Ps 118:27, Ps 97:1, Ps 84:11, or Ps 23:1.
- Model for your children short, simple prayers of thanksgiving, and slow and controlled movement.
- Sing together songs that your children have learned in the Atrium.
- In addition to Holy Mass on the Lord's Day, attend daily Mass whenever possible, and sit up front so children can clearly see the priest's gestures.
- Refer to the “The Prayer Area” guide for more information about the Catechesis of the Good Shepherd and information on how the Atrium's prayer area is set up. Please feel free to use this as a reference for your prayer table at home.

Our program at St. Joseph Church is **parent and parishioner** involved catechesis. We pray the rosary at the beginning of each Atrium followed by catechesis, material making and Christian Mother time and this year we have adoration on Thursdays. Come learn with your kids. We need parents to help so I would ask each family to pick at least 3 times over the year to do things to make Catechesis of the Good Shepherd a big success:

RESPONSIBILITIES of Atrium FAMILIES

Arrive early: Families should plan to arrive 15 minutes before their session begins. This margin not only ensures on-time arrival when there are delays en route, but it also gives children time to reconnect with their peers before Atrium starts so they will be less likely to try to chat during work time. _____ IN

Help during Atrium: While children are in the Atrium we ask parents **to stay and pray** the Rosary first, then work on material while we have a leader to lead in discussion of next week's Gospel Reflection and other spiritual reflections. We need the help of every parent during the two-hour session, so we ask that, for the most part, you don't consider Atrium as time to catch up on personal tasks. _____ IN

Come to the Masses: Attend the two Masses Nov. 1st, 2017 All Saints Day Mass (with dressing as your favorite saint) and Feb. 28th, 2018 we will have at St. Joseph Church on Wednesday evening will be attended by all three Atrium sessions. They will be at 5:00 and a potluck dinner will follow. _____ IN

Bring Atrium home: Families are also very highly encouraged to make Catechesis of the Good Shepherd part of their home life by making regular use of their family prayer table, learning Atrium songs with their children, and taking their children to Mass and Confession as often as possible. The more you extend your child's Atrium experience into your family's daily life, the more your child will benefit from it. IN _____

Talking about Atrium at home: Instead of saying "what did you learn or do" ask 'what struck you' 'what did you hear?' 'what material did you work with?' 'Tell me about Atrium today'

Be patient and honest: Catechesis of the Good Shepherd is a 9-year process (ages 3-14) of religious formation. For most children, it takes time to see the fruits. In addition, parents need to examine how media exposure and other aspects of our culture may be negatively influencing their children's Atrium experience. _____ IN

Sacramental Prep 1st Communion: Be prepared to come 4 retreats: Oct. 21, February 17, April 21 and May 12th _____ IN

Sacramental Prep for Confirmation: Be prepared to come to three retreat days on November 5 9am-4pm, (be at St. Joseph at 8am) January 27, and September 2018 TBD, Confirmation Date Oct 2018 (TBD by Diocese) _____ IN

Retreats are to be attended by the parents per Diocese new guidelines. One Confirmation Retreat should also be attended by the Sponsor. _____ IN
